Description

This well-maintained lift kept 2005 Chaparral 256 SSI Open Bow is powered by a **5.7 Ltr 270 hp Volvo Gi-E with Duo Prop Outdrive and only 388 hours!**

This boat has everything you want for a day out on the water, and MORE!

The helm and cockpit design are reminiscent of a Chaparral cruiser, with all the features you can ask for. She has swivel helm and companion seats with flip-up bolsters and comfortable wrap-around cockpit seating that includes a removable center seat for easy pass thru from the swim platform. A removable cockpit table makes way for an insertable sun cushion so that the entire cockpit becomes a large sun pad.

A wet bar with fresh water sink, inset ice chest, removable cooler, and lower compartment are a great additional feature. Extra space for storing gear can be found with two transom hinged storage trunks and a huge in-floor storage locker. Adding the transom pass thru cushion forms a second full transom sun pad!

At the helm, her electronics include:

- **Garmin 50c GPS**
- Marine Stereo (in head compartment) w/helm remote
- Faria In Dash Digital Depth Finder
- Electronic Engine Hatch Lift

To port, she has a private enclosed head with stainless steel sink and Jabsco marine toilet and a small locking compartment on the doormat. A thru-way door provides protection from the wind when closed, and a large additional storage locker can be found just fore of the helm. Her bow has spacious lounge seating and additional features include a bow inset cooler drain, port and starboard under-seat storage, and a bow swim ladder.

She also includes:

- Three Quarter Enclosure
- Bow and Cockpit Snap Down Tonneau Covers
- NEW Snap Down Bow and Cockpit Carpeting
- Transom Shower
- Ski Tow Ring

A MUST SEE BOAT!
