Description

If you are looking for a mix of sport boat, entertaining, and overnight comfort, this 2014 Chaparral 285 SSX has it ALL!

Powered by a **8.2 Ltr 380 hp Fresh Water Cooled Mercruiser Magnum MPI with Bravo III Outdrive and just 231 hours**, she has plenty of speed needed to spend the day playing on the water. In the cockpit, she boasts a U-shaped seating area with lots of room to sit, a removable table, and a reversible aft seat back that turns the transom seating into a large and comfortable sun lounger. A well-apportioned wet bar entertainment area to port features a sink, inset ice chest with drain, refrigerator, and removable cooler - all for keeping food and drinks cold and easily accessible.

The cavernous in-floor locker provides tons of room for oversized gear, and the transom cushion lifts for additional gear storage on deck. A port-side pass thru provides safe and easy access to the extended swim platform.

She has a companion seat and a double wide helm seat, all with flip up bolsters. At the helm, within classic Chaparral gauges, she features the following instrumentation:

- **Garmin 441 GPS**
- Chaparral Digital Gauge System with Depth Finder
- **Electric Windlass**
- Lenco Trim Tabs
- Electric Engine Hatch Lift
- Stereo Helm Remote (for Clarion Cabin Stereo)

A locking cabin provides plenty of room for relaxing below, with a forward V-berth dinette that seats four comfortably and easily converts to a large double berth for spending the night out in comfort. A port side galley area features a stainless steel cabin microwave, inset cooler in Corian counters, and plenty of storage. A private head with sink and Vacuflush toilet are accessed on the starboard side. For entertainment, she features a Clarion Stereo, and a Flat Screen TV with DVD player.

She has plenty of additional features, including:

- **Air Conditioning**
- Battery Charger
- Shore Power Connection
- Battery Switches

- Custom Made Canvas Covers for Companion Seat and All Starboard Helm to Swim Platform Upholstery
- Forward & Side Isenglass Panels
- Full Cockpit Tonneau Cover

A great boat for spending the day and night out on the water. Come and take a closer look!
