Description

Powered by **Twin 250 hp Mercury Optimax EFI Outboards with updated power heads and newer lower units and just 850 boat hours**, this 1998 Wellcraft 302 Scarab Center Console Cuddy has the power and space you need for cruising and fishing.

For the fisherman, she features:

- Gunwale Rod Storage
- Transom Storage Wells
- Large In Floor Insulated Fish Box w/Hinged Lids
- Live Well
- Plenty of Fishing Rod Holders
- Locking Cabin for Storing Gear
- Raw Water Washdown

She has plenty of seating for friends and family, including a long removable transom bench in the cockpit for creating greater space for maneuvering by fishing as well as a bench seat forward of the console and two smaller cushioned bow seats that also double as steps up to the bow for casting.

At the helm, her seats flip down to double as a standing leaning post, and at the helm, she has a Kenwood Bluetooth Stereo w/Twin Amps and a Standard Horizon VHF radio.

Her locking cabin sleeps two comfortably in a long double berth, and she has space for a port-pottie to create a private head area as well. Tons of storage compartments can be found around the boat, including a cavernous space beneath the helm console, in the bow floor, and the transom.

Additional features include:

- Twin Battery Switches
- Canvas Helm Console Cover

She also includes a 2004 Magic Tilt tandem axle trailer!
